JUANITA

Tell us, Senorita, do they M grow
Any more like you
Down in Mexico ?
That is something we should like to know
For, in case they do,
There we'll have to go.
Though love in Spanish,
We can't discuss,
Please don't be clannish
With us.
Hearken to our plaintive serenade,
Fascinating maid:

Refrain

Wonderful Juanita,
Dark-eyed Senorita,
Blushing tropic rose, so divine,
Could you learn to be a clinging vine ?
Never was so sweet a
Maid as you, Juanita.
My heart beating,
Keeps repeating,
"When will Juanita be mine ?"
