ONE MAN

Sunshine: When I marry, if I marry
 I don't want an ordinary
 Fellow like the fellows I have met.

Girls: So what do you want, then ?

S.: You won't hear me holler, "Oh, boy!"
 When I spy a heavy dough boy -
 Though I know that money's hard to get.

Girls: So what do you want, then ?

S.: Though I'm very well aware he is hard to find,
 Here's the kind I've always had in mind!

Refrain

 One man -
 A six foot type sort of man -
 A Dunhill pipe sort of man -
 A true Apollo
 The girls all follow -
 Wise
 With most adorable eyes -
 With brains and vim -
 But still just dumb enough to think
 That I'm the right little girl for him!
